Child Care NSW Policy Templates Policies help to ensure that a service can run smoothly. It is important that the quality practices of an early childhood learning centre are supported by policies that are current and based on relevant information and knowledge. At Child Care New South Wales we would like to take the pain out of this process. The 2008 Policy Disc is available now. Join Child Care NSW and then Call us on 1300 556 330 for a policy disc order form. Are you keeping up with the regulation changes, Child Care NSW is working with all agencies to reach a fair outcome of the proposed changes to your industry. Join Child Care NSW who helps to protect your business. Has your centre got vacancies? We are conducting a survey to find out the amount of places available in NSW child care centres. This will assist the Australian Government to decide where to place the new centres planned by them. If you have vacancies and have not been contacted by us phone for a form. Phone 1300 556 330
